## FREELANCE DESIGN

Villa Verde Garden Design – 1999 - Present Date

Cutting Edge Landscape and Design, Eugene, Oregon, A most recent partnership.

Numerous residential design jobs, mostly front and backyards, consultations, some grounds keeper work as well. Flagstone patios and walkways, steps and low retaining walls, circulation, plant selection, drainage problems, over all garden design lay-out. Responsibilities include: One-on-one client relations, site analysis, conceptualization with client, design development with client, billing, follow-up. Small scale nursery production is also part of my business, mostly in Spring.

## LEADERSHIP AND COMMUNITY SERVICE

Student Chapter ASLA, Secretary – Part of team planning and organizing various events including Shadow Mentor Day, Portfolio workshop with professionals, construction site walk-through, helped create sketching/drawing workshop taught by professors.

Volunteer - School Garden Project and Huerto de la Familia,  
- Eugene Oregon and Crystal Springs Rhododendron Garden, Portland Oregon.
